

K-love is a vital resident of the San Antonio community in that it provided family friendly music and broadcasting. So many people have benefitted from K-Love radio not only through prayer, but also encouragement in their daily lives, if it were to be displaced by an LPFM broadcaster providing other programming, we would no longer have a safe, encouraging place to set out dial. There are no additional stations in this area that provides all the benefits that K-Love does. With all the violence in the world today, not only on TV, but also in all the vulgar music that is played on the radio today, it is nice to know we have somewhere to turn to listen to music that is safe for our children to listen to. K-love teaches good morals, offers prayer support and has been an uplifting addition to our community. Our city would definitely suffer if K-Love is taken off the air. I hope you will carefully consider these comments I have shared with you. Thank You, Tara Nasto
